MEMORANDUM FOR: The Director of Central Intelligence  
FROM : Presidential Briefing Coordinator  
SUBJECT : Thursday NIO Meeting (U)

1. After polling the NIOs I find only three who have topics they wish to raise with you.

NIO/CH - Issues Likely to be Addressed at the Second Plenum of the Fifth National Peoples Conference

ANIO/EAP - Thailand/Kampuchea Border Situation and the Fighting in Kampuchea Update and the movie "the Deerhunter"

Act.NIO/LA - Nicaragua. (S)

2. [REDACTED] plans to discuss the Arab world in detail next week so you probably will not want to pursue such topics this week. Beyond that the meeting looks like an open field for your questions. You may want to consider the question,

"What can/should we tell the President next week to help him in Northeast Asia?" (S)
